

Date of Establishment: 21 December, 2022

Every year a formal programme is organized for all past students in month of December

Objectives

- To create and improve the inter-relation between Past Students and the Institute.
- To make efforts for educational, cultural and professional development of present and past students of the Institute.
- To help and cooperate for the progress of the Institute.
- To provide job opportunities for the present and past students.
- To organize different social programmes and to orient the past students about the new trends in education.
