Lecture on- Impact of Media on
Teaching-Learning Process.

A Guest lecture on "Impact of Media on Teaching Learning Process" is organised by the college. Dr. Daundkar Kailas is invited as Media resource person for the lecture. The use of media to enhance teaching and learning complements traditional approaches to learning. Using media engages students, aids student retention of knowledge, motivates interest in the subject matter, and illustrates the relevance of many concepts.

Dr. N.N. Misal proposed vote of thanks. Total 176 students present for the lecture.
